

Advantage Line by Bosch

The choice you always wanted

Bosch Security Systems extends its video portfolio with Advantage Line- a new affordable range of professional CCTV solutions. Advantage Line products deliver great image quality and long-lasting performance at a competitive price. They are ideal for a broad range of applications including retail and schools. Now everyone can afford the best!

BOSCH
Invented for life

Advantage Line

IP Cameras

The IP 200 Series cameras deliver high-performance Bosch technology in cost-effective, ready-to-use solutions. Complete network video surveillance systems, they include video recording and storage in a fixed-body, dome or bullet housing.

Box Cameras

These compact fixed cameras offer a complete network surveillance system with progressive scan for sharp images of moving objects. They are ideal for monitoring indoor areas in retail shops, restaurants, daycare centers and small offices.

IP 200 Series Box Cameras

NBC-225-P IP Camera

VGA fixed lens 4.9 mm, F2.8, PoE, 12VDC 1A

NBC-255-P IP Camera

VGA varifocal 2.8 to 10 mm, F1.4 to close, PoE, 12VDC 1A

NBC-265-P 720p IP Camera

720p VF Varifocal 2.8 to 8 mm, F1.2 to close, PoE, 12VDC 1A

Dome Cameras

These discreet, compact dome cameras offer you a complete network surveillance system. Ideal for small offices, convenience stores and classrooms, where both professional security features and affordability are essential.

IP 200 Series Dome Cameras

NDC-225-P IP Camera 200 Series

VGA Fixed lens 4 mm, F1.5, PoE, 12 VDC, 1A

NDC-255-P IP Camera 200 Series

VGA Varifocal 2.8 to 10 mm, DC Iris F1.2 to close, PoE, 12VDC 1A

NDC-265-P HD 720p IP Dome Camera

Varifocal 2.7 to 9 mm, DC Iris F1.2 to close, PoE, 12VDC 1A

NDC-225-PI Day/Night Infrared IP Dome Camera

VGA Fixed lens 4 mm, F1.5, PoE, 12VDC 1A

Bullet Cameras

The IP 200 Series Bullet Camera features a robust aluminum body designed for outdoor surveillance or indoor areas where water ingress might occur. With integrated active infrared technology they ensure 24/7 video surveillance in daylight or complete darkness.

IP 200 Series Bullet Cameras

NTC-255-PI Infrared IP Bullet Camera

Varifocal 3.7 to 10 mm, DC Iris F1.4 to close, D/N switch, PoE, 12VDC 1A

Analog Cameras

A wide range of easy to install, analog security cameras delivering perfect 24/7 surveillance for small business applications. The new offering includes indoor and outdoor minidomes, integrated infrared domes and bullet cameras, box and zoom cameras plus discreet lipstick-sized cameras.

Box Cameras

Box cameras are available in color and Day/Night (D/N) versions. Fully automatic, they are easy to install and ready to use, offering good quality picture performance.

Video solutions

Typical small analog solution

Small shops, retail stores, pharmacies, and gas stations are often lacking image quality when it comes to professional CCTV systems. On this particular solution we have used the DVR 400 Series together with 3 WZ Series integrated IR cameras and 1 Indoor Minidome. With this solution you get some great imaging quality both day and night at an affordable price. The DVR comes with features such as smart phone support and web interface.

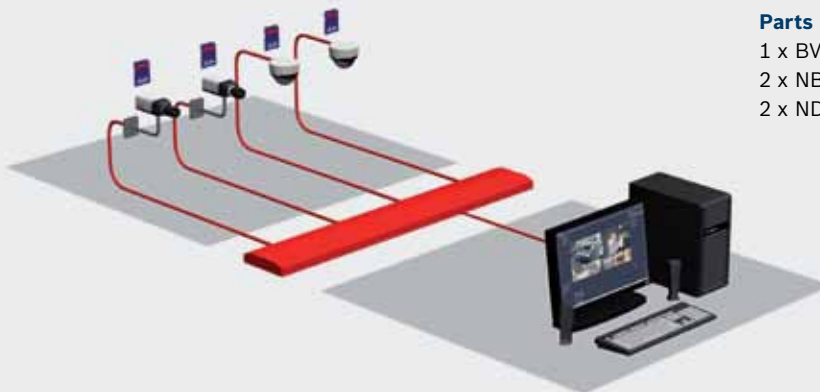

Parts list

1 x DVR-440-04A050	4 CH DVR
1 x VDI-245V03-1	Outdoor WZ45 IR Dome
1 x VTI-214F04-3	Outdoor WZ14 IR Bullet
1 x VDC-260V04-10	Indoor Minidome
1 x VTI-216V04-1	Outdoor WZ16 IR Bullet

Typical small HD video solution

The IP 200 Series cameras are now available in 720p HD image quality in both dome and fixed-body types. In addition to all the great features you get with IP 200 Series solutions, the HD cameras capture more details and have a wider field of view. They reveal far more information, allowing more detailed examination of your recorded video.

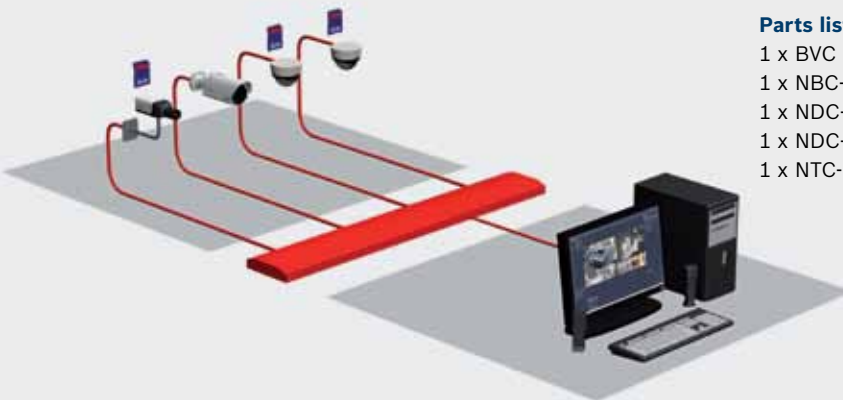

Parts list

1 x BVC	Free viewing and playback client
2 x NBC-265-P	720p HD Indoor Camera
2 x NDC-265-P	720p HD Indoor Dome Camera

Typical small IP video solution

The IP 200 Series cameras are simple to set up. POE compliance enables a single cable to carry the camera's power and video, saving installation time and cost. Once configured, the camera can be disconnected from your PC as the video is stored on the local removable SD card. When evidence is needed the card can be reviewed on any PC. (not NTC-255-PI)

Parts list

1 x BVC	Free viewing and playback client
1 x NBC-225-P	Indoor Fixed IP Camera
1 x NDC-255-P	Indoor Dome IP Camera
1 x NDC-225-PI	Indoor Dome IR IP Camera
1 x NTC-255-PI	Outdoor IR IP Bullet

A Tradition of Quality and Innovation

For over 100 years, the Bosch name has stood for quality and reliability. Bosch is the global supplier of choice for innovative technology, backed by the highest standards for service and support.

Bosch Security Systems proudly offers a wide range of security, safety, communications and sound solutions that are relied upon every day in applications around the world, from government facilities and public venues to businesses, schools and homes.
